## Vairious Thoughts

I just wanted to once again thank Jim and Terry for their fine effort last month on the 2007 Detroit Convention presentation. Great pictures and commentary about the event. And since Jim used to work for GM, we were fortunate to get the "insider" views of someone who had been there during some of the Corvair years.

Since I am speaking of conventions, there is still time to consider this year's Corsa Convention. It is on the West Coast and will be held at the Ventura County Fairgrounds in Ventura, CA. Traditionally, West Coast conventions draw less than their East Coast or Mid-West counterparts. Despite high fuel prices, I am still planning to drive down and will be leaving early Saturday morning, June 21<sup>st</sup>. Contact me if interested in joining me or for more info on the other NW group's plans for attending.

Lastly, this month's newsletter contains one of several planned changes your newsletter staff is working on. Some members asked for an events schedule to be part of the newsletter. This month, a schedule of upcoming events of auto interest has been added. Unfortunately, our efforts to publish the first technical article to appear in our newsletter in a long time fell short. We are working to resolve those issues and the plan is to publish the article next month. I still encourage anyone to submit for publishing consideration any item of Corvair, auto restoration or automotive history they find interesting.

Like to see you at the Village Restaurant on the 13<sup>th</sup>!

## NCC APRIL 2008 MINI CRUISE

On an early April Saturday afternoon, several NCC members gathered in Stanwood to take part in our first spring event. Skirting rain showers and waving to several curious onlookers, the Corvairs made their way down Marine Drive. The Coravan was on its way to The Roadhouse Bar and Grill on the north end of Lake Goodwin.

Upon arrival, we were greeted by Emily, our cheerful and efficient waitress. The Road House has an extensive menu, ample portions, excellent food and Corvair friendly pricing. Truly, this was **Corvair nirvana**. See our website for more pictures.
