Little flat 6 and 4 speed going thru the gears.....

I had some good Corvair Fun the other day in Tacoma. We needed a few promo shots for the convention, so I arranged a sacrifice to the sunshine deities and put together several nice Corvairs from the NW.

If you don't know by now, Greg King is the new owner of the famous "Corsa X" Stinger. He drove it down and we met Jerry Yoder and friends with 3 beauties from his collection. 1964 Spyder Vert, 1965 Monza Sedan and the star of the show - his immaculate 1961 Rampside deLuxe.

Check out the cover of the July Communique to see it. Since Corvanatics is the host club for the Corvair EXPO, it had to be a beauty of an FC! We are putting the final touches on the EXPO as this month counts down to July 21st - Opening Day! Looking forward to seeing everyone at the Welcome Party and Valve Cover races that evening. It's a catered cookout dinner and a no host bar will be on the Murano patio, as well.

The NCC e-mail list provided a potential opportunity to help out a fellow Corvair owner. It would sure be great if we can arrange a "Work Party/Potluck" to meet Pat Olson's friend and show him some friendly helpful NCC hospitality. Please check in on the NCC group e-mail to volunteer your skills.

Looking forward to seeing everyone at the Ultra Van Western Rally "open camp" at the North Whidbey RV Park on Cornet Bay Road. (opposite side from the Deception Pass entrance). Saturday June 19th at 4pm. Bring your appetite, a 5 dollar bill, and your keen eye. You will be the judge! Yes, a People's choice UV show, and a fine BBQ hosted dinner is your afternoon and evening's entertainment. I'll be hoping for some s'mores, too!!

The North Cascades Corvairs, (NCC) car club is chartered Chapter 982 of the Corvair Society of America, (CORSA). NCC serves the North Puget Sound region of Washington State and areas of the Lower Mainland of British Columbia. Club membership is open to anyone who shares our interest in the Corvair automobile, ownership of a Corvair is not required. Annual dues are \$20, or \$23 for non-CORSA members. We welcome all to join us at our regular monthly meeting. Please contact Fred Croydon at 360-466-2266 or fredngale@wavecable.com for the latest meeting date, time and location information.

Graham Dell Reduces His Inventory

Graham has owned somewhere around 12 Corvairs over the years, although never more than four at a time, including Ultra Van 292. Most recently it was CORSA X, a 1965 Yenko Stinger now in Greg King's stable, a 1961 Rampside now owned by new member Eric Olson and of course Honey's Bee, a 1965 140/PG Crocus yellow/black interior, power top convertible.

Now down to one Corvair, Graham says probably not too long before the inventory starts to expand again.

In the meantime, the new addition is a 1993 (last production year) Cadillac Allante with the North Star Engine. Nancy made it a Valentine's present and of course since a Pininfarina body from Turin, Italy, its name is Valentino.

News from Our Members

More From The Dells: Nancy Dell just came back from a lovely girlfriend trip to Ottawa, CA. She and some old friends got together there and played bridge and did a lot of sight seeing. She came back to hear her darling 21 month old granddaughter say on the phone, "I miss you, Gramma." You can't beat that!

Both Graham and Nancy went to the EconoRun in Salem Or. They drove the yellow convertible, Honey Bee, which ran perfectly the whole way.

John Barnes: He hasn't been doing much on his Corvair for the last month and a half, since he injured a disc in his low back. He was going to spend all that time getting the car ready for the CORSA

Convention. He will be taking his Chevy van there, however, filled to the brim, (er, do vans have brims?) with parts and stuff for the swap meet. His nephew will be helping him load the van, not sure who will help him unload it at the meet. Be sure to stop by and shoot the breeze with him at the convention.

Sedro Woolley Blast from the Past

The June 8 weekend was reserved for the Blast from the Past festivities in Sedro Woolley. It is a three day event with a street fair,

Quilt Show, Crafts show, and music, ending with a Car Show on Sunday. As usual, the folks of Sedro Woolley do a bang up job putting this one on, and lots of town folks show up. More non-car show participants, than car owners, which makes for interesting conversations.

This is a car show that is at the end of a great 3 day small town festival, including craft and food booths, as well as entertainment.

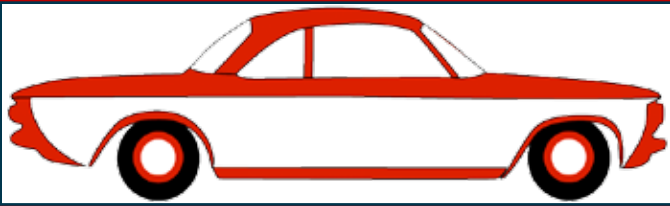

One elderly lady looked the Corvairs over, then asked why the Dash was different than the one on the Corvair she had at home. A few questions and it was determined that she had a late model 4 door Monza. We were then able to explain the Corsa difference in the dash.

We were in a great spot in the center of the show, where they had a band playing music of the 50's and 60's. Vic Kukrall had his Corvair powered sand rail at one end of the show, and Lauren Burton had her '63 convertible, with a bright new paint job, on display at the other end. She won an award for the best 1960 to 1964 Stock class.

Brother Gordy and I took our Corvairs to the show, and Gale also did the Quilt show with a few of her sewing friends. We had a great time with a steady stream of folks coming by to check out the cars, making comments about the Corvairs they had in the past, how the design was ahead of its time, and they wished Chevy had not stopped making Corvairs.

REGISTRATION INFORMATION ON BACK

Rhodes River Ranch Cruise

The gates open at 8:00 a.m., and the show starts at 9:00.

This show is on the grounds of the Rhodes River Ranch in Oso, and sponsored by the Restaurant at the ranch. The entry fee of \$20 includes a ticket to the breakfast buffet, or brunch buffet. Extra tickets at \$13 for additional meals, or additional parties in car.

We are proposing that club members planning for this show meet in the parking lot of the

Denny's Restaurant on Hwy 530, just off I-5 on the East side. We would leave at about 8:00 a.m. heading east to Hwy 9, then north for a short block to W. Burke Ave which leads into the Arlington-Darrington Hwy 530. That will take us to Oso, home of the Rhodes River Ranch. This is a 16 mile drive and takes about 25 minutes.

Those interested in doing this event should contact Fred Croydon at fredngale@wavecable.com.
