We are trying to spur more interest in North Cascades Corvairs, and the input we have from members that regularly attend events is that we should have something going on each month.

The current thoughts are to focus on attending an event whenever practical, and on those months that do not have a special event planned, we should have a meeting at a restaurant. Those meetings should be on a Saturday mid-morning or afternoon.

The key to all of this new direction is participation. That means participation in events and meetings, but also volunteering to do some of the organizing and planning.

So, get your Corvair ready to go, and plan on getting to scheduled events.

The North Cascades Corvairs, (NCC) car club is chartered Chapter 982 of the Corvair Society of America, (CORSA). NCC serves the North Puget Sound region of Washington State and areas of the Lower Mainland of British Columbia. Club membership is open to anyone who shares our interest in the Corvair automobile, ownership of a Corvair is not required. Annual dues are \$20, or \$23 for non-CORSA members. We welcome all to join us at our regular monthly meeting. Please contact Fred Croydon at 360-466-2266 or fredngale@wavecable.com for the latest meeting date,

Fred Croydton

I changed my car horn to gunshot sounds. People move out of the way much faster now!

I decided to change calling the bathroom the John and renamed it the Jim. I feel so much better saying I went to the Jim this morning.

Of course I talk to myself, sometimes I need expert advice.

Last year I joined a support group for procrastinators. We haven't met yet...

Why do I have to press one for English when you're just gonna transfer me to someone I can't understand anyway?

Hinton Chevrolet Corvair Event Returns

Galen Laird, Hinton Chevrolet Service Manager has informed me that a Corvair event will return to Hinton Chevrolet in Lynden for 2016. This event will be called the Hinton Chevrolet Corvair Reunion and will follow the format of previous Corvair Gatherings that were held there. This means no pre-registration or entry fee will be required. The Hinton Chevrolet Service Department will provide lunch. The date for this occasion is Saturday, May 21, 2016.

More details will be provided in the New Year.

Bill has volunteered to help steer this big event. Expect it to be as fantastic as in the past.

NCC Dec 2015 Meeting

Discussion on the direction for 2016 with strong indications that we should have more meetings. The general consensus is to either have a meeting at a restaurant somewhere, or at an event, each month.

Restaurant meeting places should be in the area between Stanwood and Everett. The preferred day would be Saturday, and the time would either be mid-morning or afternoon.

Events mentioned in the discussion included the restored Hinton Chevrolet Corvair show in May, Foothills show in May, Rhodes River Ranch show, Sweetheart Cruise, and a couple of shows in Marysville.

It also seems that the preference was toward smaller shows, and new shows that would expose us to different cars and people.

Bill Chellis has volunteered to coordinate with Hinton for the all Corvair show. He also mentioned that he would be going to the Greenwood show in Seattle.

Fred will be putting a tentative schedule together for consideration by members through e-mail.
